**Subject:** Experience Letter for Masihullah Muhammadi

To whom it may concern,

This is to certify that Mr. Masihullah Muhammadi has been employed with Aseel Technology Corporation as a Front-End Developer Intern from December 12, 2023, to July 10, 2024.

Mr. Muhammadi went beyond his areas of responsibility and full-time requirements during his employment and was always eager to learn new skills and implement them into his deliverables.

Aseel, with team members from different time zones, often required Mr. Muhammadi to attend meetings early in the morning or late at night. Besides, he always kept the team updated on his whereabouts to ensure that the work and timelines went as planned. During his internship, Masihullah developed web applications using React.js and Next.js, collaborated with designers for pixel-perfect rendering, integrated frontend components with backend services, optimized applications for performance and SEO, conducted comprehensive testing, and debugged frontend issues. He stayed current with the latest technologies, participated in code reviews, and continuously improved our frontend development practices.

Mr. Muhammadi's commitment to delivering projects on time and his ability to offer fresh perspectives greatly benefited our organization. His dedication and professionalism have left a positive impression on his colleagues and supervisors. We have the utmost confidence in Muhammadi's abilities and potential. He has consistently proven himself a top-performing professional with a relentless commitment to excellence. I am confident that he will continue to excel in any role he undertakes and would be a valuable addition to any organization.

Please do not hesitate to contact us if you have any further questions or require additional information.

Best Regards,

Rowaida Naikhwah,

HR Lead
